

Coding & Revenue Cycle Support Packages

HIM/Coding Support Package:

Coding Connection

Email support and assistance for questions relating to HIM and Coding. *Not intended for daily editing or auditing of patient encounters.*

Annual Coding Updates

Receive annual webinar invitations regarding HCPCS Level I & Level 2, CPT, and ICD-10-CM codes.

Monthly Q&A Discussion

Live interactive forum to network with peers, and discuss your coding questions and concern with the experts.

Coding Vault Access

Within our "Inner Circle" client portal, your team will have access to the Coding Vault that includes educational documents, on-demand webinars, guides, toolkits, and more!

Revenue Cycle Support Package:

Revenue Cycle Support

Email support and assistance for questions relating to Revenue Cycle, *such as: Billing, Self Pay Collections, Payor Policies, Chargemaster, Compliance, and Claim Issues.*

Monthly Q&A Discussion

Live interactive forum to network with peers and discuss your revenue cycle questions and concerns with the experts.

Internal Compliance Audit Guidance

Receive guidance to navigate internal compliance audits, *such as MSP, 501R, Compliance Audit Grid.*

Guidance on Best Practice Workflows

Expert guidance to develop best practice workflows, *such as: KPI Benchmarks, Healthshares Workflows, Claims, Patient Correspondence Examples, and Tip Sheets for common billing issues.*

Rev Cycle Toolkit Access

Within our "Inner Circle" client portal, your team will have access to our reference library with educational documents, on-demand webinars, guides, toolkits, and more!

Premium Add-on Services

We offer other services such as customized support, education, audits, chargemaster reviews, training, mentorship, and direct hands-on support.
