## CHANGES IN ENROLLMENT

### Open Enrollment

The open enrollment for medical, dental, vision and flexible spending takes place each year for a January 1 effective date. You and your eligible dependents may enroll during the open enrollment period.

## NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS

**Loss of Other Coverage:** If you are declining enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing towards your or your dependent's coverage. To be eligible for this special enrollment opportunity you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing towards the other coverage.

**New Dependent as a Result of Marriage, Birth, Adoption or Placement for Adoption:** If you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and/or your dependent(s). To be eligible for this special enrollment opportunity you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

**Termination of Medicaid or Children's Health Insurance Program (CHIP) Coverage:** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

**Eligibility for Employment Assistance under Medicaid or CHIP:** If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

All questions about Special Enrollment should be directed to Human Resources.

## CHANGES IN YOUR PRE-TAX BENEFIT ELECTIONS

The following benefits are offered on a pre-tax basis: medical, dental, vision and flexible spending account.

If your premiums are deducted from your pay on a pre-tax basis, IRS regulations only allow you to change your benefit elections effective January 1 unless you have a qualifying status change. Examples of changes in status include: changes in legal marital status, number of dependents, employment for you or your dependent, number of hours worked, eligibility of your dependent, entitlement to Medicare or Medicaid, or a spouse's open enrollment.

Any mid-year change in election must be consistent with and because of the qualifying status change. You must notify Human Resources within 30 days for most changes in status (within 60 days of loss of Medicaid or CHIP coverage or becoming eligible for premium assistance under Medicaid or CHIP).

If your employment ends and you are rehired within 30 days, the pre-tax elections in effect at the time of your termination will be reinstated. This means that any pre-tax premium payments and contributions will be automatically put back into effect. If you are rehired more than 30 days after terminating employment, you may reinstate your previous elections or you may make new elections.

Consult Human Resources for more information concerning when you can change your pre-tax benefit elections.

## **AUTOMATIC PAYMENT OF PREMIUMS ON A PRE-TAX BASIS**

When you elect medical, dental and vision coverage, the premiums are automatically deducted from your wages on a pre-tax basis. If you do not want your wages reduced on a pre-tax basis, contact Human Resources in writing on or before your initial eligibility date or before the start of the plan year on January 1 to request to pay the premiums on an after-tax basis. Plan elections and pre-tax premium deductions (including any increases in premium) will automatically carry over for subsequent years unless changed.

ruralMED Management Resources will provide you with information on the current premium amounts for each plan. If you need to know your current plan elections, contact Human Resources.

## **WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)**

On October 21, 1998 Congress passed a bill called the Women's Health and Cancer Rights Act. This law requires group health plans that provide coverage for mastectomy to provide coverage for certain reconstructive services. These services include:

- All states of reconstruction of the breast on which the mastectomy was performed
- Surgery/reconstruction of the other breast to produce a symmetrical appearance
- Protheses
- Physical complications during all stages of mastectomy, including lymphedemas

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the group health plan's deductibles and coinsurance apply.

If you have questions about the current plan coverage, please contact Human Resources at 308-217-4248.

## **NEWBORNS' ACT DISCLOSURE**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section.

However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable).

In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## **AVAILABILITY OF HIPAA NOTICE OF PRIVACY PRACTICES**

### **ruralMED Management Resources**

#### **Protecting Your Health Information Privacy Rights**

January 1, 2021

ruralMED Management Resources is committed to the privacy of your health information. The administrators of the ruralMED Management Resources (the "Plan") use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan's policies protecting your privacy rights and your rights under the law are described in the Plan's Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Human Resources.

## **IMPORTANT NOTICE FROM RURALMED MANAGEMENT RESOURCES ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with ruralMED Management Resources (the Group) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Group has determined that the prescription drug coverage offered by the ruralMED Management Resources plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current coverage with the Group may be affected.

If you do decide to join a Medicare drug plan and drop your current Group coverage, be aware that you and your dependents may not be able to get this coverage back.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with the Group and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information. **NOTE:** You'll get this notice each year before the next period you can join a Medicare drug plan, and if this coverage through the Group changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –**
